AN ACT

To repeal section 34.040, RSMo, and to enact in lieu thereof one new section relating to state purchasing.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 34.040, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 34.040, to read as follows:

34.040. 1. All purchases in excess of three thousand dollars shall be based on competitive bids, except as otherwise provided in this chapter.

2. On any purchase where the estimated expenditure shall be twenty-five thousand dollars or over, except as provided in subsection 5 of this section, the commissioner of administration shall:

(1) Advertise for bids in at least two daily newspapers of general circulation in such places as are most likely to reach prospective bidders and may advertise in at least two weekly minority newspapers and may provide such information through an electronic medium available to the general public at least five days before bids for such purchases are to be opened. Other methods of advertisement, which may include minority

business purchase councils, however, may be adopted by the commissioner of administration when such other methods are deemed more advantageous for the supplies to be purchased;

(2) Post a notice of the proposed purchase in his or her office; and

(3) Solicit bids by mail or other reasonable method generally available to the public from prospective suppliers. All bids for such supplies shall be mailed or delivered to the office of the commissioner of administration so as to reach such office before the time set for opening bids.

3. The contract shall be let to the lowest and best bidder. The commissioner of administration shall have the right to reject any or all bids and advertise for new bids, or purchase the required supplies on the open market if they can be so purchased at a better price. When bids received pursuant to this section are unreasonable or unacceptable as to terms and conditions, noncompetitive, or the low bid exceeds available funds and it is determined in writing by the commissioner of administration that time or other circumstances will not permit the delay required to resolicit competitive bids, a contract may be negotiated pursuant to this section, provided that each responsible bidder who submitted such bid under the original solicitation is notified of the determination and is given a reasonable opportunity to modify their bid and submit a best and final bid to the state. In cases where the bids received are noncompetitive or the low bid exceeds available funds, the negotiated price shall be lower than the lowest rejected bid of any responsible bidder under the original solicitation.

4. All bids shall be based on standard specifications wherever such specifications have been approved by the commissioner of administration. The commissioner of administration shall make rules governing the delivery, inspection, storage and distribution of all supplies so purchased and governing the manner in which all claims for supplies delivered shall be submitted, examined, approved and paid. The commissioner shall determine the amount of bond or deposit and the character thereof which shall accompany bids or contracts.

5. The department of natural resources may, without the approval of the commissioner of administration required pursuant to this section, enter into contracts of up to five hundred thousand dollars to abate illegal waste tire sites pursuant to section 260.276, RSMo, when the director of the department determines that urgent action is needed to protect public health, safety, natural resources or the environment. The department shall follow bidding procedures pursuant to this section and may promulgate rules necessary to establish such procedures. Any rule or portion of a rule, as that term is

defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 1999, shall be invalid and void.

6. The commissioner of administration and other agencies to which the state purchasing law applies shall not contract for goods or services with a vendor if the vendor or an affiliate of the vendor makes sales at retail of tangible personal property or for the purpose of storage, use, or consumption in this state but fails to collect and properly pay the tax as provided in chapter 144, RSMo. For the purposes of this section, "affiliate of the vendor" shall mean any person or entity that is controlled by or is under common control with the vendor, whether through stock ownership or otherwise.

7. Any contract let under subsections 1 to 5 of this section after August 28, 2005, for the performance of services shall include provisions which specify that only citizens of the United States and persons authorized to work in the United States under federal law shall be employed in the performance of services under the contract or any subcontract awarded under the contract.
